

## **Oral Health Legislative History & Key Stakeholders**

**Prepared by the Dental Health Foundation  
for the  
California Working Families Policy Summit 2007**

### *Legislative History*

#### **1995**

##### **AB 773 (Speier) Chapter 660, Statutes of 1995**

AB 733 requires water agencies with more than 10,000 connections to fluoridate their drinking water, but only upon the availability of a private, non-taxpayer funding source.

#### **2004**

##### **SB 96 (Alpert) Chapter 727, Statutes of 2004**

[SB 96](#) makes clear that water fluoridation is a matter of statewide public health importance, and that local agencies are legally obligated to fluoridate their drinking water once funding has been formally offered, except under certain specified conditions.

#### **2006**

##### **AB 1433 (Emerson) Chapter 413 Statutes of 2006**

This bill require pupils, while enrolled in kindergarten in a public school, or while enrolled in first grade in a public school if the pupil was not previously enrolled in kindergarten in a public school, to present proof, of an oral assessment of a written waiver.
