

Connect Ed message from superintendent

School is OUT but Lunch is IN

Congratulations to students on completing a successful school year. During the summer months it is important to encourage your child to eat healthy food and stay active. The Summer Fun Café is a program through a partnership between our district's Food Services Department and the San Diego Park & Recreation Department. Lunches and snacks are served free to any child ages 2-18 who comes to one of the 21 community parks participating in the program. Many schools also offer the program to the community. There is no enrollment or paperwork necessary.

To kickoff this program a BBQ will be held at Skyline Hills Community Park on Wednesday, June 24 from 10:30 a.m. to 1:30 p.m. The BBQ will be free to children AND their families and will feature San Diego Charger Matt Wilhelm, Z 90.3 Radio, and the San Diego Food Bank distributing free bags of food and pre-screening for Food Stamps. A Nutrition Decathlon will get your children moving.

For dates and service times of each of the Summer Fun Cafes, visit our district's website at [www.sandi.net/food](http://www.sandi.net/food), or call 211, the social service help line. Have a healthy summer!
